What This Warranty Covers: The manufacturer (“Manufacturer”) warrants its parts and products to be free of substantial defects in materials and workmanship from the original date of purchase under normal home use. This warranty is offered only to the original consumer purchaser and may not be transferred.

What We Will Do Under The Warranty: During the warranty period, Manufacturer will repair or replace any part or product that proves to have substantial defects in materials or workmanship, or Manufacturer will provide an equivalent replacement product. In keeping with our policy of continuous product improvement, Manufacturer reserves the right to change specifications in design and materials without notice and with no obligation to retrofit products we previously manufactured.

How State Law Applies: This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.

Implied Warranties: Manufacturer disclaims any implied warranty of merchantability, and there are no warranties that extend beyond the descriptions on the face hereof. To the extent that such disclaimer is not valid under applicable law, any implied warranty shall be coextensive in duration with this warranty.

Wood Characteristics, Aging and Printing Limitations: Because of the varying natural characteristics of wood and the effects of aging, product shown in displays and/or printed materials will not be an exact match to new cabinetry you will receive. Depending on the wood characteristics, the age of a sample and the environment of the showroom, samples will show some degree of variation from new product. In addition, you should not expect all doors, drawer fronts, trim or molding to match exactly in either finish or grain. Variation in wood is normal and unavoidable. In addition, it is not possible to exactly match our colors in printed materials. Therefore, you should view the actual samples when making your color selection.

What This Warranty Does Not Cover: This warranty does not cover any problems or damages which result from improper transportation, improper installation, mishandling, misuse, abuse, neglect, abnormal use, commercial use, improper maintenance, non-authorized repairs, accidents, or acts of God, such as hurricanes, fire, earthquakes or floods. This warranty and any applicable implied warranties do not cover incidental or consequential damages arising from any defects in the product, such as labor charges for installation or removal of the product or any associated products. This warranty does not cover defects or damage caused by normal wear & tear, alterations, environmental conditions, humidity absorption, or mold. In addition, variations in wood grain, finish color, aging or other natural wood and
