How your plan works during the manufacturer's warranty

- ✓ Most products come with a manufacturer's warranty that can last 90 days, 1 year, or longer.
- ✓ If there is an issue during this time that is **covered by the warranty**, you will be referred to the manufacturer for service.
- ✓ If there is an issue that is **not covered by the manufacturer** but is included your The Home Depot Protection Plan, the plan will cover it.

▲ TERMS & CONDITIONS ENCLOSED

How your plan works after the manufacturer's warranty

- ✓ Covers your purchase for 2 or 3 years depending on plan length (water heaters for 5 years) after the manufacturer's warranty expires.
