

# THANK YOU FOR CHOOSING THE HOME DEPOT

## BEFORE YOU LEAVE THE HOME DEPOT, MAKE SURE...

- ④ You have confirmed you have new connection parts that meet manufacturer requirements – we cannot use existing connection parts for new appliance hookups
- ④ You have chosen a flexible delivery date; you will receive a four hour delivery window the day prior to your delivery
- ④ You have confirmed the color, style and model of your selected unit
- ④ The dimensions of your selected unit will fit the hookup location
- ④ Your printed delivery information is accurate, and you've provided us with an alternate phone number
- ④ There is an elevator, or fewer than three flights of stairs, between the unloading zone and the hookup location

## PRIOR TO DELIVERY, REMEMBER TO...

- ④ Ensure a responsible adult age 18+ will be present during delivery
- ④ Clear any obstacles along the path to the hookup location
- ④ Ensure doorways, hallways and stairways are wide enough to fit appliance (if applicable)
- ④ Empty any appliances that are to be hauled away

### AT TIME OF DELIVERY:

# DISHWASHERS

Thank you for selecting The Home Depot for your dishwasher purchase and hookup. To help us complete your hookup quickly and completely,\* **please ensure the following prior to delivery:**

- ④ You have purchased a **new dishwasher connection kit** – we cannot use existing connection parts for new appliance hookups
- ④ Water shut-off valve is located behind dishwasher or under sink
- ④ Shut-off valve is corrosion-free, in good working condition, has a metal connection and requires no plumbing alterations to connect our parts
- ④ Space provided for dishwasher meets manufacturer’s required minimum cabinet opening dimensions
- ④ If an electrical outlet is used, it is positioned so a 5' cord can reach it
- ④ For hookup under solid surface countertops (e.g., granite, Silestone®): you have purchased, or the manufacturer has provided, required side mounting brackets
- ④ Flooring is not obstructing the front legs of the unit
