

# THANK YOU FOR CHOOSING THE HOME DEPOT

## BEFORE YOU LEAVE THE HOME DEPOT, MAKE SURE...

- ④ You have confirmed you have new connection parts that meet manufacturer requirements – we cannot use existing connection parts for new appliance hookups
- ④ You have chosen a flexible delivery date; you will receive a four hour delivery window the day prior to your delivery
- ④ You have confirmed the color, style and model of your selected unit
- ④ The dimensions of your selected unit will fit the hookup location
- ④ Your printed delivery information is accurate, and you've provided us with an alternate phone number
- ④ There is an elevator, or fewer than three flights of stairs, between the unloading zone and the hookup location

## PRIOR TO DELIVERY, REMEMBER TO...

- ④ Ensure a responsible adult age 18+ will be present during delivery
- ④ Clear any obstacles along the path to the hookup location
- ④ Ensure doorways, hallways and stairways are wide enough to fit appliance (if applicable)
- ④ Empty any appliances that are to be hauled away

# GAS RANGES

More saving  
More doing.®

Thank you for selecting The Home Depot for your gas range purchase and hookup. To help us complete your hookup quickly and completely,\* **please ensure the following prior to delivery:**

- ④ An anti-tip device has been furnished by the manufacturer – these must be installed on all ranges
- ④ You have purchased a **new gas flex connection** – we cannot use existing connection parts for new appliance hookups
- ④ Natural gas shut-off valve has a metal connection and is located directly behind appliance
- ④ **You do not require a propane hookup as they are NOT allowed**
- ④ You have verified a Liquid Propane conversion kit is provided by manufacturer; if not, it must be ordered
- ④ A 110-volt 3-prong electrical outlet is within reach of power cord

\*Gas appliance and over the range microwave hookups are not included in basic delivery rate and not available in all areas. Additional charges may apply. Please note: over the range microwaves require a nearby, dedicated electrical outlet and will not be hardwired.
